

VIOLETTA LOZOVYY, MD
MATERNAL FETAL MEDICINE SPECIALIST
BOARD CERTIFIED OB/GYN

ATTENTION PARENTS AND GUARDIANS

To ensure the highest quality of care to all of our patients, children may not be left unattended in the waiting area. Please note, small children cannot attend long ultrasound studies such as anatomy scans. You may have only one adult accompany you in ultrasound room. We appreciate your efforts to make appropriate childcare arrangements before arriving at our office so that it will not be necessary to reschedule your appointment.
